▶ Introducing Our New Math Literacy Tools

With funds from a
Library Services
and Technology
Act (LSTA) Grant
and Seneca Foods
of Cambria we are

now able to make available for checkout many
exciting new math learning games, DVDs, toys,
puzzles and of course books.

The Leapfrog Leapster is one of many new
additions to your local library collection. The
Leapster handheld gaming system combines
learning skills for preschool through 4th
grade with the best of video game play.

Also now available to check out will be the
Think-It-Through Tiles from Discovery Toys.
A unique self-correcting system challenges
children ages 4 & up to improve reading, math
and science skills with book collections avail-
able in each subject.

Stop in to see all we have to offer!

What's New?

*Two Leapster Learning sys-
tems with math games appro-
priate for ages 4 through 10

*Think-It-Through Tile Set
from Discovery Toys

*Toss & Tally, Time & Money
Dominoes, Busy Bugs and many
new games

*Bilingual Learning toys for
young children

*Great new math books and
DVDs for our collection

**Play With Your Children . . .
It's The Best Investment
You'll Ever Make!**

By Eric Carle

Did You Know?

That your involvement with your child's education is the single most important factor in your child's academic success? It's a fact! Children in families that learn together have greater success in school and life.

Family Activities Using Math

Guess cost of purchases

Count change

Play board and card games

Predict when reading stories

Sort socks

Hunt for patterns

Time activities

Read the calendar

Work puzzles together
